4. *GMS* is not responsible for the availability of *medical treatment* or *transportation.*
5. *GMS* is not responsible for the quality or results of any *medical treatment.*
6. *GMS* is not responsible for *your* failure to obtain *medical treatment.*

10. Payment of any amount by *GMS* on *your* behalf does not constitute a guarantee that *GMS* will cover *your* expenses if *GMS* determines *you* have no coverage under this policy. *You* must repay, on demand, any amount paid or authorized by *GMS* on *your* behalf if *GMS* determines that the amount was not payable under the terms and conditions of *your* policy.
11. Benefits are payable for amounts in excess of what would normally be payable under *government health plans* as they exist as of the *effective date* of this policy.     a. all benefits from any *government health plan* shall be determined and recovered first;
    b. *GMS* will pay eligible expenses only in excess of amounts covered by that of the other insurer(s) including but not limited to any employment related plan, extended health care plan, private or provincial vehicle insurance, credit card policy, or any other insurance, whether collectible or not;

        ii. any employment/retirement related plan; then
        iii. any other plan, including *GMS*. In this case, the benefits shall be prorated according to the maximum amounts that would have been payable as the result of the benefit contained under the respective plans. *You* agree that prorated sharing is what was intended when this policy was entered into and that sharing on any other basis including on the basis of independent liability and/or equal sharing is not what was intended or agreed to.
19. If a covered person is entitled to similar benefits under any other individual or group contract, the benefits payable under this policy shall be coordinated so that the total payment from all coverage's shall not exceed the amount for which the claim is made.
20. *GMS* reserves the right to restrict or deny *your* right to designate persons whom insurance money is payable.
21. If *GMS* determines that there is no coverage for a claim(s) under this policy all amounts advanced to *you* or on *your* behalf must be repaid by *you* to *GMS* on demand. In such circumstances any payment(s) made by *GMS* will not constitute an acceptance of coverage.
22. It is *your* responsibility to provide proof that the dates of travel are consistent with the terms of this policy.
23. *GMS* reserves the right to investigate or obtain a private opinion on any claim and to obtain any and all information relating to a claim.
24. This contract is void in the case of fraud or attempted fraud by *you*, or if *you* conceal or misrepresent any material fact or circumstance concerning this insurance.
25. By purchasing this policy *you* are authorizing:
    a. any *physician*, health care provider, other person, *hospital* or institution to release to *GMS* and/or its authorized agents, representatives, affiliates or other service providers (collectively "*GMS*") any information covering *your* medical history, symptoms, *medical treatment*, examination, diagnosis and/or services rendered to *you*;

Refer to the Coverage Begins and Ends section to establish when coverage starts. The policy will be considered null and void and any premium paid up to the end of the 10-day examination period will be refunded. This period of examination expires ten (10) days after *you* apply for *your* policy and have received a copy of the policy contract. Failure to return the policy will be considered an acceptance of all of its terms, conditions and limitations. All other requests for termination are subject to the conditions provided for in the policy statutory conditions.
29. Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (BC, AB, MB, NS, PE – title of act may vary by jurisdiction), Limitations Act (SK, NF), Limitations Act 2002 (ON) or other applicable legislation.
